

Written Event Online Submission Guidelines

Please use the following instructions when submitting your chapter's written event projects, which are due on **Friday, January 11, 2019, by 5:00 p.m. CT**. Only submit finished and complete projects. Please do not wait until the final hour to submit your students' documents. Late documents will not be accepted. **SUBMIT EARLY!**

IMPORTANT TIP

ADVISORS: Require each individual competitor (or team) to submit a final **PDF** version of their written event (project) document to you via email or on a jump drive that is no larger than 4MB (and without a statement of assurances). PDF format is the only acceptable format to submit a written event (project). If they submit it to you as a WORD document, just click **File** >> **Save As** >> **Browse** and select **PDF** as the "Save as Type" when resaving their document correctly.

Please follow these steps carefully:

1. Visit <http://judges.decaregistration.com/org/deca-tn/conf/scdc> to access the login screen.
2. Use your DECA membership registration login credentials to login. Once you have entered your **USER NAME** and **PASSWORD**, you must click the blue **LOGIN** button.

Once you click the blue **CONFIRM** button, you will be automatically directed back to your main page.

Once all of the written event (project) documents have been submitted and signed, they will appear in green rather than the original yellow or red. The button that you clicked to sign them will no longer be an option.
